“ My Cousin Joel and I grew up spending many hours together. During summer breaks fro school his dad would often take us tp the beach at Kensington for the day. Years later Joel would come over to pend time and talk. We could always be honest about how we felt about things. As adults Joel spent many holidays with my family, alays brining his "special" veggie casserole to share. He will e missed by all of us.

Diane Clayton - February 13, 2017 at 02:46 PM
