“ I was deeply saddened to read about Joel's death. He was a beloved member of the "Kadima Family". His strength in the face of adversity was an inspiration to all that came into contact with him. He was loved by both clients and staff alike at Kadima. My condolences to his family who loved and cared deeply for him. You are all in my thoughts at this difficult time. I will always remember his booming voice asking me if I had shrunk or he had grown, while patting me on the top of my head!

“ Joel was a very special person. Friendly, kind and sincere. He never failed to greet me enthusiastically when we'd meet and always displayed a true sense of connection. He was a "gentle giant." May his soul rest in Eternal Peace and Light, and may his family find comfort and happy memories.

“ I am so sorry to hear of Joel's passing. What stands out was his strong voice: Some people have voices that are hard to hear but his was clear.
