“ My name is Steven Eizen . Joel and I were at Ft Knox in 1966, we became Army friends and stayed in touch through the early seventies!! We spoke to each other around 2013 about our lives. Joel popped into my mind yesterday and I googled him and found out he passed last October . When we were in the army we talked a lot being the only Jews in our respective companies! He always had a smile on his face and was always up beat ! I remember him vividly ! This is a picture of him stationed in Korea in 1969. I wish you all peace. I'm sure God has his arm around his shoulder!

“ Friends for 30 years - sorry for the family loss. Joel and I were best friends while we worked together with SME in 1990. Went to lunch together in the classic 1950 Studebaker in August. He did not like it because of the lack of any safety features. Condolences .Michael Kidd

“ *It is with much sadness that I heard of Joel's passing. I didn't know him well and had hoped to see him again when I visit family. Joel had a big personality that will be missed. A void is left. Thinking of you, his family and friends, and sending my deepest sympathies.*

“ *The earliest experiences with Joel go back to Bagley elementary. Post Junior and then on to Mumford High School...all in Detroit,. From the first time I met Joel, he was warm, friendly and kind. At the age of 14, we shared a paper route on Pennington also in Northwest Detroit. Throughout the years we remained friends. I know he was very proud of his Army military service serving in the military intelligence. I will miss his jovial spirit and warmth of friendship. My condolences to his family. Your friend always, Sandy*

“ *Yoel Moshe (Joel) had a caring heart and was concerned about those he knew. His Jewish Heritage and Lineage was very important to him. He believed in the Almighty and strove to have a connection with the him; at times praying and putting on his Tefillin. May his Neshama ( soul ) be elevated. We addressed each other by our Jewish Hebrew names. Chava (Karen )*
