“ *Jolene and I were friends for over 40 years. True friends are there for you in good times and bad and all those times in-between. I can hear her laugh after a good joke and remember seeing tears in her eyes during a loss. We talked about everything and challenged each other's point of view with gusto. We have watched the World grow older as well as ourselves. Time has changed much, but has never touched a moment of our friendship. I will deeply miss my friend, but she left a treasure of memories.*

“ *The picture I posted is from Thanksgiving 1988. Some of my fondest memories are of the many holidays spent with Jolene, Jack and Aaron. Especially our combined Christmas/Hanukkah get togethers! So much fun! One of the best memories is the time she spent six hours making me a special chocolate dessert for my birthday. We spent a lot of quality time together as families, whether it was a TV night, dinner out, or just enjoying each others' company. Jolene was certainly a unique personality, and she will be missed by everyone who knew and loved her.*
