“ *Our girls lovingly called him 'Smiley,' and it couldn't have suited him better. He was always radiating happiness and gratitude, no matter the circumstance. His deep love for family and friends was woven into every word he spoke. His warmth and joy will be forever missed, but the love he shared will live on in our hearts. I miss you already, Uncle Joe.*

“ *Joe and Helen Kresch are two wonderful people and they will never be forgotten. They were so good to my mother who was a widow at 42 with two children. When all her so called friends turned their backs on this beautiful woman inside and out. - Helen and Joe always included her in their social activities - inviting her to go out to dinner - and always staying close to my mother until she passed away at the age of 71. I know her family must have such beautiful memories to last a lifetime because Helen and Joe were very special real people with big hearts. My condolences to all of you.*
