We first met Rabbi Krupnik at our children's Vort. He was such a friendly man with a quick smile and easy to talk to. We felt honored to be machatanim with him. He will be greatly missed by our children and grandchildren. Frada and Elliot Pasik

Well respected Rabbi who taught not only Jews but Christian about many things in life. I will never forget my time with him. He has touched many in ways most will never know. His teachings will always be appreciated. May God welcome you into his kingdom. May we all meet again some day.

“ Working for him for many years it was a pleasure and a privilege. His sense of humor and Torah knowledge as well as worldly matters was amazing. He could talk about everything. His knowledge of kashrus was exceptional. He taught me and helped me so much in Kashrus and Chizuk when I needed it the most. When we made a Chasunah for my daughter he was there the whole time making sure the Kashrus was 100%. He was a humble and special person. I will always remember him with fondness. “ IN 1975 myself and a friend would come to R' Yossi's apartment in givaat shaul and he taught us tanya- a person with a very winning smile and neshama- May he rest in peace and be a melitz yosher. He was my teacher at Bravenders.

“ Rabbi Krupnick was my daughter's teacher at Akiva. He taught the girls what they need to know as women (the official topics he was to teach), and then taught them extra subjects. While doing that they learned the beauty of Torah, so Judaism became a warm and satisfying part of their lives. He covered extra material but I never heard a student say he was rushing or demanded more than they could do. I also only learned about how knowledgeable he was when I mentioned him to someone else. He was humble, a mentch and a gentleman. The world is so much diminished by his absence. May his family be comforted with the mourners of Zion and Yerushalayim.

He was one of the few rabbis who looked at every issue without prejudice and bigotry he just wanted each task done properly and always help others.

“ I first met Rabbi Krupnik in 1973 when I spent a year in Israel. He was the Rabbi at Chabad in the old city. I was still at the beginning of my return to orthodoxy. When the Yom Kippur was broke out (and Hebrew University didn't open) Rabbi Krupnik was instrumental in introducing me to Hartmans to provide a real education and further my road to orthodoxy. We met again when my son came home and told me he came to Detroit and was a Rebbi at YBY. I am very grateful for the guidance he gave me in my early years of return.

In his capacity of kosher supervision for the Vaad HaRabnonim, Rabbi Krupnik was very knowledgeable on the laws of kashrut pertaining to fresh meats. He certified our beef, veal and lamb operations. His expertise in kashrut made our products fully acceptable to kosher agencies thru out the nation. He was a fine man and always as pleasure to work with. Sam Flatt

“ *We were shocked to hear about Reb Yosef's sudden passing earlier this afternoon. What a phenomenal Talmid Chochom he was! Always ready to share a Torah thought! I will forever remember his opening greeting whenever he answered the phone: SHOLOM U'VEROCHOH!!*
And Reb Yosef, that's exactly what we wish for you now, as your precious Neshama makes its way up to Shomayim just in time to celebrate Chag HaPesach with all of the Tzadikkim who are waiting to greet you with Sholom u'Verochoh!! May you be a Maylitz Yosher for your family, our community, and all of Klal Yisroel!!
