“ We are very sorry for your tremendous loss Arlene. Dr. Lapides was everything to me. He always went above and beyond for his students. In fact, he introduced me to my husband. We will be celebrating our 30th this year and have three wonderful boys. He changed the entire trajectory of my life when I truly needed guidance. Dr. Lapides was an amazing person and I will continue to hold him in my heart forever. *Linda Bebb*

“ I am so sad to hear of the passing of Dr. Lapidès. He was my graduate advisor at UMD and I am proud to be called one of “Jerry’s kids.” I was so impressed at my first meeting with him in his office (books and papers strewn everywhere!), when he pulled out the exact document I needed from a pile of papers on his desk! He was one in a million! My thoughts and prayers are with the Lapidès family. Laurie Kattuah-Snyder

“ Bruce and I met Jerry and Arlene at Beth Shalom almost 30 years ago, but got to know him better when we joined a "dinner chaverah" together. His intellect, good humor, and feistiness were always entertaining. We are sending our love to Arlene and the family from here in California, and I hope the memories of Jerry will help support all of us through this time. Love to Arlene from Bruce and Diane

“ I was most saddened to learn of Jerry's passing :-( I met/knew Jerry via IRP. He was always helpful and knowledgeable. He will sorely be missed.

“ When I became dean of the U of M-Dearborn School of Education I inherited Jerry. He became a legacy. Jerry was a one person adult education department. I was invited to his classes and sat with them and caught the bouncing ball (alums will understand that). Everyone participated and enjoyed the interaction. Jerry was also a one person United Nations. He had lived many places and was always happy to learn about other cultures. He was our "go to" guy for information about the best Arab restaurants around Dearborn. He was proud of Arlene's achievements and his children's successes. I'm so sorry that he died, but happy that he lived to see great grandchildren. John Poster

“ I’m so sorry to hear of the passing of my college professor. I returned to U of M Dearborn for my MA in training dynamics & leadership in 1990. I was almost 40 years old with 2 young children. I was apprehensive about going back to college, actually scared. Jerry was encouraging & guided me every step of the way. I have very fond memories of that time in my life. May his memory be a blessing.
