I was so very sorry to hear of Joe's passing. He was one of my dad's (Carl Carron) closest and best friends as I believe their friendship began in elementary school. I have many fond memories of Joe through the years. I remember his brother Bobby, as well, as he would come to our house weekly to give me piano lessons. Joe was an amazing friend to my mom and my brothers as well. A warm, kind, caring man and he will be greatly missed and forever in my heart. My condolences to your entire family. May his memory always be a blessing.

“ *I cherish many happy memories growing up with the Shulman family on land and water No one had more devoted sons than he. It is inspiring to learn of the many ways Mr. Shulman had a positive impact on the lives of those close to him.*

“ I was saddened to hear of Joe's passing. He was married to my cousin Baylee and he and my Mother, Reva, became good buddies. The only time she ever allowed a political sign on her lawn was when Joe was running. Deepest condolences to the Shulmans and all of Joe's extended family and friends. May his memory be a blessing.

“ So sorry to read about the passing of one of my oldest friends, who I always knew as “Jerry”. He and his brother, Bobby, lived next door to my family on Glendale. He always told me that my Dad, Sam Leib, was his inspiration for becoming a lawyer. Jerry was a very nice man, a fine lawyer and he will be missed by all who had the pleasure of knowing him and being his friend. May all his families' memories of him be for a blessing.
