“ My heart goes out to you Danny and your family. I am very sad.

I have so many nice clear memories, however, of cousin Joseph from my childhood to teens.

What a guy! Be proud.

Tall, handsome with a kind, sweet demeanor, and warm smile--a true gentle man.

He was no doubt devoted to you and your beautiful family.

Even though I have been out of touch, have stories about the Borden/Smith and took the DNA test plus started the family tree on Ancestry.com.

As a legacy and tribute to your Dad's lineage, I have discovered some facts of that side of our family genealogy and regions where we were from through him and Aunt Francis/Borden and all the cousins, aunts, great aunts, and uncles.

If interested in pursuing this search, let me know. Would love to hear from you.

I have also started my book: a lifestory including family history.
