“ I am personally saddened by the passing of Judith Martin. I am a volunteer at Fleischman Residence, calling bingo and serving "tea" each Tuesday. Judy always had fun banter for me, an engaging smile and a lovely sense of humor. I feel I am more for having known her.

“ We are sorry about the passing of Judy Martin. Judy lived a long life of ninety-two years filled with accomplishment, commitment to the Jewish people, Israel, and community, love of culture and the arts, and a devotion to her students and her friends. She always had a smile; she was always interested in you; she was always willing to help. Judy's legacy is her fine reputation, her cadre of caring friends, and her family. Judy loved to come to Levin Family events; she was an honorary member of the clan. The Levin's liked Judy very much!

“ Judy and my mother in law, Frances Kaczander were good friends. The Kaczander family has only wonderful and kind memories of Judy. May her memory be for a blessing.

“ Judy and I taught at the same school together. We had a car pool during the gas crisis, we ate breakfast together before work, we belonged to a book club with other teachers and we also golfed together. We have remained in touch over the years although we have lived many miles away from each other in the last 30 years. Her sense of humor, her intelligence, her kindness, her friendship will be sorely missed.

“ Andy and Judy were so helpful with our move to Detroit. We especially enjoyed the Rosh Hashanah afternoon meal with their friends and relatives. Judy always had a kind word and was a special person.

“ Judy was family. She was loving, warm and probably the most patient person that I have ever met in the world. With a dry sense of humor, she was well-read, cultured, and just a fabulous human being. I was so sad to hear about her passing, and I wish her family well. Please know that we are thinking about her.

I met Judy and her late husband, Andrew, when they moved into the Fleischman Residence. They were well known in the Jewish community, and after Andrew passed away, Judy devoted herself to a tight-knit group of friends in the facility, spending hours socializing in the lobby - unless her family or friends whisked her away for a private outing.

May her family be comforted by the Al-Mighty amongst the mourners of Zion and Jerusalem!

Aunt Judy married our uncle Andy Martin after our Aunt Muncie died. She always welcomed us to their home with warmth and was interested in our lives. We will remember her for her quick wit, intelligence, hospitality and kindness, especially towards our mother. May she rest in peace. Her nieces Judy Metzger and Kathy Rabin and families

“ Judy was one of the most incredible, inspirational, loving, giving woman I have ever met. She was my mom's best friend, we were friends for 54yrs! We have so many memories together from family functions, (as Judy was our extended family) to swimming at the Southfield civic center, to lunches...and so much more! I could go on & on about Judy, I can't just pick 1 memory because they are all beautiful memories! Oh let's not forget the zoo! I absolutely loved Judy with all my heart. I will miss her dearly, and keep her memories cherished forever.

Please let us know about the funeral, she is loved by so many here in Detroit. We would love to watch or attend Judy's funeral.

We love you Judy.

I remember Judy fondly from the Jewish Community Center in Oak Park and from Shomrey Emunah in Southfield. She always had a smile and a nice thing to say. May her memory be for a blessing.

“ Judy was the person who advised me on my very first job to get out on the picket line, the best advice she ever gave me, lead to 25 years as a union representative. It was my mother’s best friend her entire life, she became friends of our entire family, we celebrated many holidays at her home and she was invited to our extended family for many holidays, family picnics, along with Andy. It’s hard to pick one memory she was involved in our entire lives from birth on. Words that would describe her would be kind, caring, considerate, funny, well read, intelligent, etc. I could go on and on never a mean bone in her to anyone of us!!
Since many of us in the Detroit area have wonderful memories of Judy, I hope the funeral will be streamed and you will let us all know when it will be. Debbie Levin
