“ My sincere sympathy to the Schneider Family! I have fond memories of all of you from living on Harding! I had the pleasure of spending an afternoon with Judy on a visit to Denver!!

We were saddened to learn of the passing of Judy. She possessed a vibrant and sparkling personality. I had known her since we were babies in Stockton, California. Our mothers having been dear college friends. It was always a treat when she visited. Our kids called her “Airport Judy “ because of her extensive traveling. May our friend rest in peace.
