“ Julius was one of the kindest, gentlest people I have ever known. He was also intelligent, capable, dependable and creative. When talking about him it's difficult not to sound like a Thesaurus because he was deserving of so very many superlatives. Our world is a little grayer and sadder with his loss. May his memory be a blessing.

“ Julius was a master at employing the great talents of gentleness and humility in martial artistry and Julius was a very talented artist.

“ Julius was a great man, one of the pillars upon which our dojo was built. From the first time I met him until the last time we trained together, he was that same great man. He gave without hesitation, sharing his incredible knowledge, his voluminous notes, his love of aikido. I remember his relentless positivity and fondness for telling and re-telling well-worn tales. He could show you the current way of doing a technique, the way he first learned it decades ago, and then catalog the evolution with machine-like precision. Dates, times, people and places.

Julius worked incredibly hard to acquire his skills and he weathered many difficult “failures” with equipose. Painful experiences that would have made most of us give up aikido entirely. And it was this lesson he taught me most of all - it’s only failure if you stop trying. I know we’ll all be re-telling Julius stories for many years to come. “What is this? — The same as this, only different.” Safe travels my friend. I hope to see you again one day. OSU!

“ I have known Julius for more than forty years. A kinder, more generous and gentle soul could not be found. His quick wit, encyclopedic memory and sense of humour made him a wonderful companion through many of life's adventures. He will be greatly missed

“ Julius was a fierce friend, a tireless researcher, and an inspiring, innovative teacher. Many of us owe our success to his passionate, kind and gentle guidance in his roles as an Aikido Sensei, and RPG Game Master. Julius, as your body rests now with us on earth to mourn, may your spirit soar with the eagles in the heavens.- Your friend and student, Jan.

“ I first met Julius when I joined the Chudokan dojo in Windsor in 1988. I had the incredible opportunity to not just train with him but become a good friend and to have him serve as best man at my wedding. To say he will be missed will be an understatement.

We all miss you Julius. Osu.

“ I first met Julius in 1980. He was a newly minted black belt in Aikido and I was a newly minted white belt. We often trained together in this art. We trained together often at Old Wayne State(Maniacs), Dexter/ Davidson and Ann Arbour. Julius also trained often in Windsor (where I'm from) and is a good instructor of aikido and aikibuki. I will miss his wonderful stories of the old and crazy days. Osu!...Julius! I will miss you! 😞

I met Julius about 45 years ago at the old Budokan Dojo in Detroit. We practiced Aikido together and I was even his Uke (partner) for one of his black belt exams when he tested in Windsor. I did a little gaming with him decades ago and he was a weapons instructor at the Chudokan Dojo in Windsor, driving in from Detroit for many years. He was steady, dependable and had a never give up attitude. I will miss his kind and gentle demeanor, bright spirit, keen wit, incredible memory and friendship. In the many years I knew Julius, I never heard him speak ill or unkindly about anyone. He will live on in the memory of his many friends, especially mine. He will be greatly missed. OSU!

Juius was one of my best friends and a great GM. I loved playing the different games he ran and enjoyed just talking to him. If My wife hadn't taken sick the day of his funeral I would have been there to mourn with his family. As I think was said above, the world is the poorer for his loss. May God grant him the happiness he brought to others.

I have known Julius for over 30 years. He was a gentle soul, had a kind heart, generous nature, a fierce and loyal friend, a dedicated marital artist and a great role player. He will be missed, he touched a lot of people in his life. His absence will be felt by many but his memory will be carried by us all.

*My sympathies to the family.
Is it possible that he made a monument bust of Prince Kuhio in Kauai, Hawaii? If so, can you contact me at csoon8@yahoo.com*
