We are so sorry to learn of this. I chatted with her just a few weeks ago
in shul and it was so nice. The two of us know each other since we
were both teenagers on Dexter Avenue, she just several years older
than me. Plus, just a few short years ago, we worked in the same
building on Coolidge and had many wonderful conversations. We will
miss her beautiful smile.

*Baruch Dayan haEmes! It was such a shock to hear of your
mother's/matriarch's sudden petira. I think of her fondly, going back to
when our families both lived in the 9 Mile neighborhood. And of course,
we'd visit your father a"h who was our son's' revered teacher. May
Hashem send nechama to you, the children, and all the illustrious
family.*

*When I was a young child Kayla was my teacher at the Yeshivah I
thought she was the most beautiful woman I had ever met. Even at my
older age I can not forget how kind and gentle and sweet and beautiful
she was. My condolences to the Polter family*
