“ Oy! We will miss Zisseh Larry! We will miss his, sweet smile, his sweet voice and his sweet rootbeer candies. For years our Kollel was zoche to have Larry as the ner tamid of the beis medrash. He taught us about dedication to torah and davening with a minyan. Even when he couldn't join us in shul he had the chazzan call him so he could listen in. The Daf Yomi a few days ago spoke of Rav Yitzchok who said that even if one can't physically make it to shul he should still find out when they are davening and do so at that time as well. Oy!

*We will miss Reb Larry Lighting the annual Kollel Lag Baomer Fire. He Danced "Yidden" better than MBD. We will miss his spectacular firework show that he put on for "the kids". When we think of Larry we will remember Zisseh Larry.*
