“ *Hy, it's been a long time, but I want to offer my condolences to you for your loss. Even though you moved to Flint I remember many great memories when you lived in Oak Park. I hope you are well and will be able to go on knowing you have many loved ones in your family that will carry on your wife's memory.*

“ *1 more thought:
My mother (Lucille Freiser z.l.) was an only child. Lucille's closest relatives besides her parents were Laura, Sharon, Nevin & Elyse. The Rechtman / Friedman families (descendants of Lucille) join with the mourners at graveside (& elsewhere) to remember and honor Laura. May Laura's memory serve as a blessing to all who knew her kindness.*

“ *Laura was to the sister underneath me and always wanted to be with me. She was neat growing up and I was messy. She always told the truth and sometimes I did not. She loved me , my children and my husband Elliot. We loved her, Hiram and he children. We are a close family and we will miss her very very much. She and Hiram always took our college grandchildren out to lunch or dinner for special occasions.*

I feel blessed to have known Laura. She is my sister in love Sharon's sister. Laura and I were the same age and shared some of the same friends. She always was so sincere and warm and loving. We shared the same family simchas and met often once my brother Elliot married Sharon. We were only 16 then. I am saddened by her loss and will miss her so much. Her lovely smile and kind heart will long be remembered.

Dear Hiriam and family, Sharon and Elliot, I remember back to college days and when we were first married and starting our families. We'd get together socially and enjoy each other's company, laughing and sharing stories. Life Happens. We lost touch. I was deeply saddened by Laura's illness and difficulties most recently. I pray that her memory will be for a blessing and that she may Rest In Peace. Baruch Dayan HaEmet, Blessed be the Judge of Truth who gave us this beautiful wife, mother, grandmother, sister, daughter, cousin, neighbor and friend. Amen

“ *Laura was my big sister and was known to include me in her Friday night meals... it always meant a lot to have family dinners when I was away from home. Laura was our family baker; no family get together was without her delicious pies and cookies. Laura loved nothing more than family, and we were all recipients of that love. She had a wicked sense of humor and was always interested in a good laugh. She will be missed by all who knew her, but especially by me. Laura, you were so brave in the plight of this awful disease and we tried so hard to help you stave off its effects. I will miss you but I'm so glad you are no longer suffering.*

“ *Laura's devotion and love for Hiram and her children is a fact that is known to everyone that knows her. But Laura was my big sister, and she never failed to be protective of me and take my side, perhaps even when it wasn't always necessarily deserved. She was a rock that I could always rely on. I miss her now and will miss her for the rest of my life.*

“ *Laura, along with her siblings, were the relatives on my Mom's side I have been very close with since early childhood. I remember Laura as a precocious child, always more mature & wise than expected. I have never met anyone more dedicated to family than Laura Grossman...She was always ready to drive a thousand miles to celebrate simchas of her extended family.*
