I met Laurie through ORT many years ago. Her optimism and kindness was infectious. I loved her sense of humor and ability to see the good in everybody. She was always encouraging and willing to help with any project. I'm so grateful to have called her friend. May loving memories sustain us all as we grief her loss.

“ I met Laurie through mutual friends almost 40 yrs ago. From day one she was warm and friendly. We shared so many silly and fun times together, from riding in her Rabbit, movies, Canada, canoeing lol, and just hanging out. Then I moved away and we switched to email and texting. She was a part of a group of five of us whom I consider family as we communicated sometimes daily, definitely weekly. She was always a little behind in reading the texts and messages there were so many lol. The thing that I remember most is her laugh and ready smile. That didn't seem to be so these last months. She was so strong and upbeat and then I think it became too hard.

While I am heartsick she is no longer with us I am happy for her. She is no longer in any pain and is at peace. She was a truly special, beautiful soul and I will miss her for the rest of my life. Rest in peace my forever beloved friend.

“ Laurie was a special ORT friend that I got to know since the 80s when I joined. She was always willing to help out with any project. Her eternal smile and chuckle will be remembered in my heart and mind forever. She was always sharing with me if she bumped into someone in my family. May all the good memories so many of us have shared be etched in our minds and hearts forever. Dear Sharon and all the family, I will always think of Laurie with such a good spirit, goote' Nashumah and warm heart. May her memory always be a blessing and may she rest in peace.

“ We knew each other since our days at B'nai David. You and your family were always so kind to my parents. I remember the honey cakes, the scholachmonas baskets and of course seders at the Chudnows. May She RIP and her memory be a blessing.

“ The world became a different place when Laurie's voice was taken away. Her smile and laughter will be missed. She has been a friend for over 20 yrs and we had many adventures together. I only hope I enriched her life the way she did mine. To quote "Wicked", which we seen together during one of my trips to Detroit, and was one of her favorites - "Who can say if I've been changed for the better? But because I knew you, I have been changed for good." And - "You'll be with me, like a handprint on my heart."

I am glad her pain is gone but will miss her each and every day..

RIP my dear friend Laurie

“ I am so sorry for your loss (Steve, Sharon, and the rest of the Chudnow family), I met her a little over 20 years ago through her brother. I attended many seders and some other events. She was always so helpful in putting those together, always cracked a joke, had great sarcasm and was always nice to me and my family.
May you rest in peace

“ Laurie always had a smile on her face no mater how sick she was. I met Laurie as a young lady of 13 or 14. She was always interested in helping her mother out at ORT AMERICA. She & my son helped move books from basement storage to Malls for book sales to help Support our chapter. What wonderful memories I have. Later in life, she became a board member of our chapter always volunteering. Till the end,she did her best, to promote, & work for ORT AMERICA. May her memory be for a blessing.
