“ I was very saddened to hear of Lauries passing. She was a neighbor and a cousin to my friend and my husband worked on her lawn and snow for years till he couldn't do it anymore. I came to the funeral home to pay our respects, however, instead of having Lauries name up by the guest book they had a different name up and I left. My intentions were sincere. Prayers and strength is being sent to the family in this time of sorrow. Karen and Ed Bell

“ My friend Gary, and to all of Laurie's beloved family..... I was deeply saddened to hear of Laurie's passing. As a very long time member of B'nai David, I remember most of the family well. I was most unhappy that I could not be with you all at the service, physically, I was with you, electronically, and spiritually , via internet. My own illness has taken quite a toll on me, so I deeply apologize that I couldn't be there. I remember how Laurie had asked me to officiate at Jeff's unveiling, and I came right out and said, " Laurie, I can't do that, I'm just a humble lay chazzan," yet she said, " I know, but I want you to do it anyway".... How could I say no? So I officiated for her, and the family, and it went well.I used to run into her periodically, and no matter how bad she felt, she would say, "she's hanging in there.... Though we are completely un related, I still consider all of you all, a part of my own family, and do share with you in your sorrow. May Hashem comfort you, among all the mourners of Zion and Jerusalem, and you you know of no further sorrow, only nachas. May her memory ever be for a blessing. I love you all, Jeff Shapiro.
