“ *Our heartfelt sympathies to the Stone and extended families. As Carol's sister-in-law, I've known Larry for over 50 years and will always remember him as a kind and gentle person. Quiet and reserved, with never a bad word to say about anyone. He was devoted to his Mom (OBM) and was her constant companion for many years. I remember when they used to drive down to Florida every year for vacation. They always had a great time! Larry was so proud of his nieces & nephews and their children/grandchildren. They always brought a smile to his face. He was lucky to have his sisters and nieces/nephews caring for him during these last months. They were a blessing to him. He knew that and was grateful. He will be greatly missed by his loving family. So sorry we could not be with you today. Our love and deepest sympathies go out to all of you. Peggy & Jerry Grant and Steven and Marla*
