“ *It was a beautiful ceremony on a beautiful day...Many good memories of Mr. Zisholz (Larry) over the past 5 decades. He was a big part of our lives as neighbors and friends in Farmington. He and the Zisholz family welcomed us to the neighborhood and became lifelong friends. Sending thoughts and prayers to the Zisholz family and our memories of him will live on. With love, Carol & Toby Kurth*

“ My family and I were new to Michigan, and Oak Park, specifically in 1980, and my husband and I soon became good friends with Hilary and Bruce Topy. That relationship brought us in frequent contact with Larry and his children; we were invited to join their whole family for holiday meals. Besides the Topys, we got to know Larry's children, Kim, Karen, and Kenny, which, over the years expanded. I always enjoyed talking with Larry and the kids, who welcomed us as warmly as the Topys to share their holidays. We were ever so fortunate, and the Zisholz family helped us to feel welcome in Michigan. I am sad to see that Larry has passed, but maybe he can now join his wife, Joyce, to be together again.
