“*Dear Marsha, I have good memories of your gentle, kind father. My sincere condolences. Phyllis Novetsky*

“ Leo was one of our consistent Minyan members at our Shabbos and Yom Tov services at the Fleischman Residence chapel from the time that he moved into HFA until his health limited his mobility. How he relished receiving an Aliyah to the Torah!! During the numerous winter seasons that we shared together, Leo was also a regular at our Havdalah service in the Fleischman lobby. Various grandchildren would sometimes show up then also, and if the lobby piano was nearby...well, that's a story for another time. Leo was blessed with Arichas Yomim - longevity of life. Although his early years were devoted to defying the Nazis' determination to destroy the Jewish nation, Leo's post-wartime years were spent rebuilding his life with his beloved wife, and creating a beautiful family of 4 generations of proud and active members of their respective communities. Y'hi Zichroh Boruch! HaMakom Yenacheym Esschem B'soch She'ar Aveiley Tzion v'Yerushalayim!

*Dear Beals Family,
Knowing your parents from Congregation Beth Moses, and watching you children grow up, marry and raise your children so beautifully, makes me feel a part of your life. I share your sorrow for the loss of your father and know you have many wonderful memories to sustain you during this difficult time. Your parents were wonderful and very proud of their family. May they Rest In Peace knowing they left behind a wonderful legacy.*

Fondly, Ilene Rubin
