*As a resident of Meer, it is so nice to see a picture of his past friends. We thought very highly of him here, also. I was one of his dinner table mates.*

*He was my uncle and my Dad's brother Don who passed away 4 months later. He was a very kind and loving man. God rest his soul.*

“ *I knew Lenny for over 70 years starting when we met on Monterey Street in Detroit. There were four friends in that circle, Lenny, Dave George, Vic Morros and me, Mitch Rycus. We all went in separate directions but met up again around ten years ago and it was like we never were gone. We lost Vic a few years back and now with Lenny gone it will have to be Dave and me carrying on as the Dexter Tromboniks. We'll miss you Lenny; I can only offer your family my heartfelt sorrow for their loss.*

“ *Dear Loren & Roz:*

*So sorry to hear about your dad. We are unable to be there with you, but he is in our hearts. He was funny and great to be with but most of all a real mensch. Please pass along our condolences too all of your family. Len will be missed.*

“ *Lenny and Mim were always there for me and my family for good times and bad. They shared the holidays with us and always had a warm welcome and delicious food when we went to their home. Lenny and my Dad, Herman, were so much alike. They shared a similar sense of humor and love for family. When Tony came into my life he was welcomed as part of the family, too. Lenny will always be our big cousin and we will dearly miss our lunches and visits with him.*
