#### Additional details:

Born in Chicago, Illinois and moved with parents to Detroit, Michigan at the age of 3. Educated in Detroit and Wayne State University. With a love for music studied Spanish guitar in New York City and then drafted to the US Army Fort Benning, Columbus, Georgia, where he served in Radio Communication roles. He was honorably discharged and graduated with high honors.

From the US Army he went on to work a few years with RL Polk Company and then Ford Motor Company for 30 years as a Product Development Systems Analyst, where he also participated in the Apple Computer and Biking Clubs.

His love for music was always present as he spent several years performing with the Flamenco Society of Michigan under Dr. Juan Serrano, Spanish Guitarist of Flamenco, & Doctorate in Humane Letters. He continued with music, following retirement from Ford Motor by assisting with activities of the Michigan Philharmonic Orchestra (newsletter, concert program publishing and marketing). This was in addition to active positions with his condo association board, biking clubs and exercise classes. Always interested in learning, including computer building, consulting and more recent study of Physics, ham radio, Osprey bird rescue project at Kensington Metropark, piano and balalaika instruments.

*Our Dear Neighbor, Lee...  
Our friend...  
We will miss seeing you there in your kitchen, preparing your dinner each night, as we look on from our kitchen window, while preparing our meal.  
In essence, we've shared dinner almost every night for 30 years. We always felt that we watched over you in that way. We will miss conversations across the waterscape of our enclave and on our deck.  
We will miss the intelligent, lovely, talented man that you were.  
Rest in peace, Dear Friend❤️*
