“ Les, lil Les. A true gentleman in a harsh terrain. Never have I heard him utter a bad word about anybody. He was my singing buddy as well as a confidant of mine. Many times he had come to the rescue of his friends. I will always picture him with his guitar and Stevie Ray Vaughn black hat playing the blues music he loved so. R.I.P Les. Hope u are reunited with your lady u loved. And yes buddy I got Hendrix with me now. Xo Tilly

“ I just found out about Les. We grew up on Radisson together, were great friends. Played at Bozo bush, went to the farm. Went through high school and did the stuff young fellas do. My thoughts and prayers are with the family.

Gertrude and family.  
We, the Prytulak girls and I, just found out about Leslie's passing. Our hearts go out to you and your family. Missing Leslie is difficult to experience but he is always in your hearts, and with you. Our prayers are with you. Leslie always stopped to talk to me when he saw me. You were a joy and made Radisson feel like home to me. I missed you and your family. Sincerely,  
Margie Prytulak and daughters Linda, Lydia, and Diane.

“ I was so saddened to hear about Les' death. Though I had not seen him since your father's shiva - it really hit me. I, too, remember him as the nice little boy that he was when we were growing up. and how I used to like to visit at your home in Windsor where he was my "counterpart" in activities.

*I was aware of (some of) his challenges - and can only imagine what these last COVID-19 months may have been like for him. May his memory be a blessing and may he truly rest in peace.*

*I am also so sorry about the untimely passing of Les. Please share our deepest condolences with your MOM and the whole family. We have some great memories of going to the farm when we were kids and the times our families were together.*
