My name is Rocky, and I am Leslie's 3rd cousin. When Leslie was a child, she would make trips out to California from Michigan, and that's how I got to know her. She eventually moved in with my mom and I. She was such a fun girl. I have so many fond memories of her. I remember we used to put on talent shows, where we would sing for my Aunt Mary, and Aunt Sarah. She loved singing "Leaving On A Jet Plane", since she was flying back and forth from Michigan to California. The fondest memory I have though, is when she lived with us, and with hot rollers in her hair, and her make-up on that beautiful face of hers, she would run out onto my mom's porch and scream out, "Hello World". She was so full of life and so sweet. I feel so bad that we lost touch after so many years. I recently found her again, and we did talk on the phone. It was so heartwarming to hear her voice again. I will always love my dearest cousin Leslie. May you rest in peace my sweet cousin. Love you forever!
