“ My heart breaks for the entire family. You were her life. A woman who loved unconditionally. I had the privilege of working with Lila for over 17 years. When I got injured at work and had to have surgery, she was the one who came to visit me and brought lunch. When my son passed away she was right there to comfort me. She had a place in my heart that no one could ever replace. She was a true friend, generous and kind. I hated what was happening to her and for selfish reasons, I wanted to remember her as she was at our last luncheon.. just that way. That smile, that laugh, that wonderful heart. Rest in peace my dear friend, and when you see my Jerry make him "sing the alphabet" for you one more time. I've always loved you! Condolences to the entire family.

“ Growing up Aunt Lila always made me feel special. After my mom passed, she was always there for me. She had me come over every Saturday and she did my laundry and had me spend the day, I never felt alone. She helped me get ready for my wedding and most importantly-she helped me when Tracy was born and I didn't have a clue on what to do! Moving across the street was the smartest thing we did! Having Aunt Lila in my life was a gift that kept on giving.
