“ I was lucky to spend many holidays with Aunt Lil and Uncle Phil when I went to the U of Michigan....they were my home away from home. So sad to hear of Aunt Lil's passing. May her memory be a blessing to all who knew and loved her. Sara Jaffe Juster

“ My heart aches over the loss of my dear friend Lilly
I will miss everything about her, our daily phone calls and my trips to Detroit for our time together
My love to Lilly's family which over the years have enjoyed being included in various celebrations
Lilly was part of my daily routine and will be missed terribly but forever in my heart

Lilly was my mom's (Fran Holtzman) very close friend. Before COVID I would frequently join them for lunch, and she always had a smile on her face. Mom and I will dearly miss her and mom will truly miss their daily phone calls and her companionship. Rest in peace dear friend. ❤️

Lillian was one of my wonderful neighbor's. She was such a wonderful lady. We had lots of fun eating out and I did her shopping for her and helped her in any way I could. I will miss her so very much.

Floyd and I send our sympathy and condolences to Susie and Marty and their families. My mother, Belle, and Lilly we're great buddies and now I would imagine they're playing Mahj and Canasta together! May happy and loving memories help soothe your broken hearts.

*Lilly was so easy to love. Always smiling and sweet. My youngest granddaughter and Lilly shared a birthday (92) years apart. My fondest hope is that Peyton will grow up to be as lovely a lady as Lilly was.
It was fun running into Lil at the different restaurants around town. Eating out was one of her favorite pastimes. We knew just where we could count on seeing and visiting with her.
We will miss her so much!

*On behalf of my mother, Julie Teicher we wish to express our heartfelt condolence on Lil's passing. She was a long time friend to my mother and a lovely lady. All who knew her were fond of her and looked forward to seeing her. Coastal Towers will never be the same. May you find comfort in her memory.
