“ A woman with good Heart lovely children, although it has been such a long time that I have seen and spoken to you. But you were always in my heart for the little advise you gave me silently will definitely stay me. I love you so much. If only I was able to show it. Be peaceful and don't forget the good part of you that you left behind. Victoria Debogie.

Моя дорогая тетя, никогда я тебя не забуду, ты навсегда в моей душе, ты растила меня, мы с твоим старшим любимым тобой братом, моим папой были на вашей с Савочкой свадьбе, и в дальнейшем он помогал вам всегда. Все было, жизнь прошла. Моя любовь не угасает. Спи с миром. Ты была необыкновенной во всем, умной, храброй и очень сильной, прекрасной и любящей.

Я была юной девочкой, когда судьба свела меня с Лилей Басиной. Дружила с ее младшей дочерью. В моей памяти Лилия останется навсегда молодой, элегантной и умной женщиной, которая очень любила свою семью и отдавала много души и энергии своим дочерям, мужу и родителям. Всегда с теплотой и вниманием относилась и к друзьям своих детей. Светлая память Лиле Басиной. Мои соболезнования.

“ *Classy, elegant, always in control, stylishly put together - that's how I will always think of Lilia. She was throwing the best birthday parties for Janet and Laura, legendary among us, childhood friends, serving whatever little was available but with what touch of warmth, love and style. She elevated us, neighborhood kids, by her approval and wordless, one glance was enough, reproaches. Many years later, her absolute devotion to her girls set the tone and expectations for us, as young parents. Today, We are grieving and we are carrying on her light Everything has changed, yet nothing has changed: Liliya is in the hearts and loving memories of generations of people, near and far, for as long as her legacy is with us.*

“ *I only met Lilya two times, but that was enough to know how strong a woman she was. A strong woman with a strong and caring family around her until the end. May her memory be a blessing.*
