“ We met Linda because she was a parent of our daughter-in-law to be, Lisa. These first few meetings can be a little awkward. Not with Linda. After a few minutes, she made us feel like long term friends. Thereafter, we always looked forward to getting together with her - and knew she would be wearing her friendly smile all the time. And, she helped raise a really great daughter! Judy/Mort Weldy

As a preteen friend of Linda's sister, Nancy, I always looked up to the big sister and couldn't wait until we could be as "grown up" as Linda. She was a role model for the kids that we were. Our condolences to Linda's daughters, grandchildren, sister, and the rest of her family and friends who loved her.

Linda was the receptionist at the facility I worked at, and yes, she was very much loved & respected. She was always so sweet, kind, & helpful. My condolences to her family & all those who loved her. Rest peacefully Linda.💕
