Linda Seide Frank, of West Bloomfield, passed away on September 13, 2020.

Linda was born in Saginaw , Michigan and was the devoted daughter of the late Sol and late Nettie (Nover) Seide and sister of the late Richard Seide! Linda was described as a “ray of sunshine” to those who loved her! She is survived by her , cousin Debra Ford, Dan Nover, and Bob Collens, along with many other cousins and her aunt, Helen Shuster, of Montreal and uncle, Leo Seide, of Charlotte and longtime friend, Linda!

Linda loved tennis, golf, and the Detroit Tigers! She used to joke about the fact that her father couldn't sleep when the Tiger's lost a game!

Linda spent most of her adult years in California where she was a reading specialist! She was very committed to helping her students succeed! Although she moved to Michigan in 2013, she always referred to herself as a “California Girl”, never wanting any part of the Michigan winters!

Linda enjoyed her weekly visits from Roger Ford and Parker, the dog! She also loved her visits with her JSL friend, Howard, and his wife, Rita, who were like family to her!

The family is grateful to the staff at Bloomfield Orchard Villa as well as the Elera team!

The family will observe a Zoom Shiva on Monday evening ,Sept. 14 with Rabbi Brent Gutmann officiating!

“ I remember being little and going with Aunt Linda to feed my first giraffe at the zoo in Silver Springs, Florida! We also went on a glass bottom boat. I had such a great time with the family that day, which is why even though I was so little, I still vividly remember it. You will be missed Aunt Linda! ❤️

“ Linda and my mother were "neighbors" at Bloomfield Orchard Villa, so I used to see her all the time when I visited my Mom. She was a very beautiful woman. I'm so sorry to hear that she has passed away and I want to give my deepest condolences to her family and friends. May she rest in peace.

I liked her from the moment she walked into the teachers' lounge for the first time in Palm Springs , CA. Such a burst of enthusiasm that room full of teachers had not heard of. We became instant friends. Our fav movie is Beaches. She identifies with C.C. (Bett Midler) and I was Hillary (Hershey). She really was "the wind beneath my wings" though. We will always fly high, Linda!
