“ Friendship back to 8 th grade Lederle!! We were like besties back then. I cherish all those crazy memories! I won't use this forum to tell stories of how crazy you and I were; boy crazy my mother would say!! LOL

So so sorry that you had to endure a miserable disease. But glad to know that Mark was by your side and there to provide a loving transition. See ya in the universe sometime somewhere and we can rabble rouse some more❤️
