*As we just pass what would have been mom's next birthday, I was doing a search for something on the computer and this came up. I felt compelled to sit and watch it again thinking again about how much we miss you, love you, and hope all your pain and memories are restored now being in a better place.*

*Love,  
Jay*

“ Mark and I are very sorry to hear of the passing of your sweet Mom and Grandmother Lois!! Lois was a lovely lady with a kind heart and always kind words!! We shared the love of going to Art fairs and every Summer it was always certain that we would run into her and Frank at one of the local art fairs. She would always ask about our family, and catch up. Our deepest condolences to your entire family. “May her memory be a blessing!”
