“ *"HaMakom yenachem et'chem b'toch shar away'lay Tzion vee'Yerushalayim."*

*"May the Omnipresent comfort you among the mourners of Zion and Jerusalem."*

*"May you find comfort with the realization that Loretta's death is only a part of the bigger picture. Just as her life was a part of God's plan, so too is her passing from this world to another yet more real world. She has been taken from this world of darkness to a world of eternal light, to the reward hidden away for the righteous in Gan Eden."*
