“ I wish to express my deepest sympathy and genuine condolences to Judith and Raymond Stern on this very sad and sudden death of your younger sister and Aunt, Lorraine Goldberg. Having heard much about Lorraine from her family and having met Lorraine twice at Beaumont Hospital, I know what a loving and caring soul Lorraine has always been and will always remain. The selfless dedication seen from her beloved family and friends, are an eternal testimony and reflection of the kind hearted person that Lorraine has personified throughout her life.

*May we be able to emulate her special caring personality that characterizes her true essence and may G-d only bestow His Blessings of support on her and on her loving family. May the family be comforted among all those who mourn her and the loss of Tzion & Jerusalem. Let Lorraine's memory always be remembered as a blessing. Amen.*

*Rabbi Aharon Amzalak.  
Staff Chaplain at Beaumont Hospital*
