“ Dear Family - I have such happy fond memories of Uncle Louie, what an awesome wonderful man and Aunt Goldie too (she was feisty/sassy like I think I am too ok I am:)). What a truly blessed life he had and the world was definitely a better place with him in it as it was with our beloved Bubbie & Zeddie and Gramma Cel and Grampa Charlie, Aunt Goldie - really really some of the most AMAZING people we will ever know in our lifetime. quik story, after high school one evening, me and a couple friends went to the track just fun and bet like \$2 ea and ran into Uncle Louie (I believe Tuxedo Pride may have been running too). We greeted, hugs and kisses and then I asked "Uncle Lou, who should we bet on tonight" His response, "oh no no, I will never tell you who to bet on, but I will give you a few bucks to place your bet and handed me \$10 to play". It was fun! Last year when we were all at restaurant he got up and sang with that beautiful voice!! Always in my heart and happy memories of all the times at their home in Michigan and Florida and everywhere we were. Sending Love, Stacey
