“ Lou was an amazing guy! Smart, kind, thoughtful, caring.... I could go on and on! Sharon and Paul, your care for your parents is truly beyond commendable! I'll always remember family get togethers and the fun times! Thank goodness my Mom convinced Joy to go the dance at the JCC, where she met Lou. A true match of two wonderful people and the family they created! Hugs to all! Will miss Lou!

“ *What a Mensch. As Richard and Ann’s eldest daughter, I along with my husband David had the privilege of spending time with Uncle Lou and Aunt Joy many years ago when they attended our child’s Bar Mitzvah in Portland Maine. We were left with an enduring memory of their warmth, love and commitment to family. They were also remarkably warm and generous to those in need. For example, all year long they collected toys so they could distribute them at Christmas time to impoverished boys and girls. We send our love to Sharon, Maureen and Barry on the loss of your loving Dad. May your memories of your Dad and his love for you continue to bring you and your families strength and blessings. *Dear Family Members: My heartfelt sympathies go out to all of you. You have been blessed for many years - as all of you have said numerous times. The decision to move Lou in with Joy was brilliant beyond what any of you could have imagined! "The L-rd has given, and the L-rd has taken. Blessed be the name of the L-rd". May all of you be supported by Heaven with the consolation that only Hashem can provide.

Sharon, your Dad, may he be of blessed memory, was a very special man and will be missed by many. I remember as a young adult, seeing him as a clown, and throwing candy to the kids lining the streets, watching the July 4th, Oak Park parade. It was one of the highlights of the day! I loved seeing the happiness he brought the children as they scurried to collect the candies!

I also remember the happiness my father always returned home with after attending your parents New Year's Day open house. He always looked forward to visiting with them. I am grateful to have been able to reconnect with him these past weeks, spending time visiting with him. My deepest condolences to you and family. Beth ("Sue") Nemoff

Uncle Lou was such a kind, sweet man. I loved the sound of his deep, resonant voice (so filled with character) and was touched when he made the effort to call me and connect with me after so many years. He clearly cared so much for my father and wanted to make sure he was OK, despite his own hardships.

I met Lou when my parents were residents at St Ann's Mead. Joy was my parents tablemates at mealtime. Lou would come and visit Joy every day at lunch and dinner. He was the nicest man you could hope to meet. Sharon, Paul and the rest of your family, I consider it a great privilege to have known Lou. My condolences to all of you. He will be missed.
