“ *the most generous individual i knew she always put others first. my sister was always willing to help others. She was wonderful with children. My daughter was very special to Lynn. She never forgot a birthday or any special event in Brittany's life. My daughter adored her. I could always ask Lynn for advice. She always gave the correct answers. She was very intelligent. I could ask her about anything and she would be able to answer any questions. I will miss our conversations. I hope she knew how much i loved her and will miss her every day. She will be missed by everyone. I was lucky to have such a special sister and will miss her the rest of my life.*
