“ I am very saddened to learn of Marc's passing. I worked with him at Best buy. I learned alot from Marc. I have been in Mississippi and am just learning of my friends passing. Truly Marc was my good friend.

“ Dear Joel, Gary and Gayle,  
Marc has never left my mind or heart over the years including today. I was shocked and deeply saddened to see he passed away last month. Often wondering how differently life could have been. I never stopped loving him. Marc was a beautiful person. Please accept my deepest condolences. May God guide and protect you and your family during this difficult time and always. Jane

“ Dear Joel, Gayle, & Gary,  
My Heart greaves for Marc in finding out of his passing. I've known the Schoenberg family for over 60 years. If it weren't for Helen and Marc, I wouldn't have had the good/profitable life I've had. Marc and I have been Good friends for many years, even though we traveled different roads of life. Marc will be on my mind and in my heart forever. I will pray that he Rests in Pease, until we meet again.  
With heartfelt sadness,
