“ Alice, my parents were the beloved Ben & Sally Pasman. My mom Sally was very close to your aunt Lillian Litvin of AZ. I am Dodie (Dolores) Pasman Harris, the middle daughter of 3 daughters to Ben & Sally Pasman. I have great memories of your so respected dad, Jack Klain. He was my father's CPA and also a personal friend. He died far too early. He had a fabulous professional reputation and I loved being in your parents' company. Your mom, Marcia, was very bright, easy to talk to, and a fine woman. As others have mentioned she always had a sweet sincere smile on her face. May your parents always be to you a blessed memory.

“ *I will always remember your Mom's infectious smile. I loved sitting next to Marcia at New Years, BBQ's, and Mitzvas. Talking with her was satisfying and renewing. She was a natural with people and was an expert at building relationships. We can all learn from her confidence and kindness. She embraced our family as her family, which I'll always cherish.*

“ Jack and Marcia are the cousin's of my late parents (Sam and Helen Klein). Robin and I have not lived in MI since 1984, but we have fond memories of the great family times, from our days in MI (I Grew up in Oak Park) . When i told Robin, my wife , her first words besides expressing her sadness., was "she was always very nice to me, and . I remember her well". That is a beautiful and great tribute. I have the same memory of Marcia always being so friendly..
Our daughter Jordana whom was born here in GA, Robin and I send our deepest heartfelt condolences, and may G-D bless and comfort all of you at this difficult time and always.
All our loving sympathies Robin, Dennis and Jordana Klein

“*Marcia was a wonderful woman. I was her supervisor at JVS’s senior service corps where she volunteered for 17 years. She always entered with a lovely smile and left with the same beautiful smile. She was kind to everyone in attendance and I never heard her say a negative word about anyone. It was indeed a pleasure to know this loving lady and I will always remember that beautiful smile and wonderful laugh.*
