“ I met Marcy so many years ago when her shop was on Woodward. She and her team provided loving care and grooming for my multiple unruly Bouviers.

I am sad to learn of her passing. I am sending my sincere condolences and prayers to the family.

“ I was a client and friend of Marcy for 25 years. She was a very wonderful lady who took such great care of my dogs with her great grooms. When I was in Florida, dear Marcy was down there too and came over to comb Isabella and Olle, my 2 Saymoeds. I loved Marcy so much and so did all of my dogs. She also groomed Tatum and Hunter. Marcy was honest, loving and had a heart of gold! I'm so sad and sorry to hear of her passing. May she have a safe transition on your way home to God. May she be at peace and free from the pain she left behind Until we meet again❤️

“ The last time we spoke, she thinks of me as her daughter. She was a kind & caring person. She looked out for other people first before herself. No doubt that She loved her grooming jobs and animals. She will be missed. Rest in Peace Marcy.

“ *Marcia was a very special person in or condo community of 54 homes. When I first met her, I saw someone that reminding me of my mother. She had a a very warming smile and instantly become a friend of my wife and I. Marcia was always seen outdoors with her little dog, sometimes walking around the neighborhood meeting other neighbors in conversation. She was a friend to all We shall miss her very much.*

“ *Marcy and I have been friends for more than 40 years. We met when her sister and my brother married. We loved the fact that we shared our precious nieces and nephews. She was the kindest, most generous and real person I’ve ever met. She was a successful business woman, owning and managing Marcy’s Groom-A-Pet for many, many years. She had a lot of loyal customers including me and my goldens. She loved to tease me about our age...she being a year older than me for 9 months and then me catching up to her for three months a year. We had a lot of fun vacationing together in northern Michigan and Hawaii. I’m so happy she was able came to visit my husband and me on Maui several times. We celebrated her birthday with her while she was here last year. She loved traveling and visiting Maui. I’ll miss you, my friend. Rest in peace.*
