“ So sad that we have lost our wonderful, ebullient, loving Marcia. She was such a strong, outspoken, lively person, the queen of joie de vivre, and to me, a great friend. We shared a passion for the arts. Her love and support for John was an inspiration. I send my condolences to her large adoring and adored family. May her memory be for a blessing. Susie Dworkin ,

“ Marcia became my mothers caregiver at Kobernick. It was clear immediately that our families had parallel lives in Oak Park for many years. I went to Oak Park High as did Marcia's kids. The relationship with my mother lasted 6 months but Marcia and I continued to meet. We had the girl time and the couples time. We even went on a cruise together. The interactions grew and the connections grew also. I met Tom, John's friend , and started classes with Tom I continue to today. I met Marcia friends and she met mine. There are so many great memories. We met each others families too. I posted a photo of Marcia with my granddaughter, Palmer. Michelle and I developed a friendliness also. I met Michelle's great family in Michigan recently.

Such connections are so very rare. I will always cherish all our time together.

“ Can it be only five years since Marcia and I both tripped over the same step at a party in Sarasota, said hello to each other for the very first time, bonded immediately and spoke non-stop for the next two hours! We exchanged email addresses and phone numbers, became dear friends, and always joked that we "fell" for each other at first sight.

Marcia will always remain in our hearts as the sweetest and kindest person, someone whose smile was so natural and infectious that you immediately loved her. She touched hearts in such a special way. She loved John-Norman and her family fiercely. Jeff and I hold you all in our thoughts, hearts and prayers. May her memory be a blessing. ❤️

Love,
Janice and Jeff Newman

“ Our hearts are very heavy today after learning about Marcia's passing. In looking back I can say we have many many wonderful memories of our times together as teenagers or as young marrieds or as moms. We shared many wonderful Simchas & life events & even some very sad ones. I am so very happy that I was able to enjoy one last lunch together with Marcia last August when she was in town. Our hope for Marlene & Jeff is to remember you had a wonderful Mom who loved unconditionally & only wanted the best for all of you & your families. Our thoughts to John is that Marcia had a great love for you & we hope that you can find peace. We are so very sorry for your loss. Susie & Jerry Gold

“ We met when we were teens. Tho we went to different schools our friendship grew. Our years of Rummyq, dinners, celebrations and so many hours of 'talk' will stay in my heart. Marcia was a good listener, had a good sense of humor and a very dear friend. May her family Cherish their memories. She loved her family with all her heart. We all loved her.
