“ Dear Blum Family,

I have wonderful memories of your dear Father and Mother, from the many years that we were across-the-street neighbors on Westhampton in Oak Park. I remember your Dad as always doing a painstaking job making sure the outside of the home brought pride to your family and our neighborhood. I remember you dear Mom as always welcoming us kids (me and my brother Steve, as well as George Doppke, Bruce Bolton, the Nastor Family, and others). Your parents were always friendly, smiling, and inviting to everyone in the neighborhood. I have very fond memories of them, as I'm sure that everyone in the neighborhood did. The loss of your Father, and now your Mother, are tremendous losses to your entire family... as well as a loss to all of us who enjoyed their warmth, kindness, and hospitality. May you all be blessed with many wonderful memories.

Fondly,

*Jeff Devries

“ I worked with Marilyn at Woodland Medical many years ago. She was older then all the other staff but efficient and pleasant. She was a wonderful and unusual lady that I looked forward to seeing. She cared dearly for her family. My condolences to you all. You lost a treasure! Ray and Shelly weitzman
