“ Dear Ken and Family,

We are so saddened over your loss. Marilyn was such a special person. It was evident to everyone who knew her just how much she loved and valued her family. We would often pass each other on the street while walking our dogs and would stop to talk about the kids and grandkids. This world's loss is Heaven's gain. She will now become a powerful Guardian Angel to her family and thus continue protecting and watching over all of you. May her memory be cherished by all who knew her.
