Marilyn or "M" as we all called her was my friend for 40 years we spoke almost every day, more than my own sister. She was a great friend, a brilliant and funny person. She was also a terrific on- air tv plant personality and "landscaper to the stars", an animal rescuer, and friend to all that walked or crawled or flew. She celebrated all holidays with friends and hosted great parties, and was an all around "good person" a mensch to the end. I miss her terribly. R.I.P. "M"

“ My deepest condolences to Marilyn’s family. She has been my friend for 35 years. She was the most loving generous person with a heart of gold. She loved her friends and hosted the most amazing parties up until the very end. She was always taking in stray animals and appreciating all the ones in her neighborhood. She had friends from all walks of life - a huge spectrum. I will miss her very much. Marilyn, you brought joy to my life in so many ways. Bless you and Love you always

“ Everyone who knew Marilyn, loved her dearly. She was a loving spirit with a beautiful soul. I've always considered myself most fortunate to have a cousin that brought so much joy and happiness into others' lives. Find your peace, Marilyn and know that I love you. Cousin, Nancy.
