I was sorry to hear about Aunt Marion's passing (I am one of Sheldon's second cousins) because I loved her very much. I so admired her zest for living an independent lifestyle and was happy when she, already in her 80s, came all the way down to Athens, Georgia in 2001 and again in 2005 to attend a family Bar Mitzvah and wedding. Sheldon, you have my deepest sympathy for your loss. May your mother's memory be for a blessing.

*Love,
Linda Mumford*

“ To our dear friends Sheldon and Gene, we are saddened by the loss of your dear mother. We did not know your mother, but know that she was a wonderful woman to have raised such a loving and devoted son. We pray that God will grant you comfort, love and understanding at this difficult time. Blessings, Brian and Lois.

“ Our warmest condolences to Marion's son, and to the Levin, Reifler, Sussman nieces and nephews, most of whom Shelly and I have known for the past 30 years or more! Through our years at the Fleischman Residence, and our being neighbors of the 2nd generation families, our mutual interactions have been numerous and pleasantly memorable. Marion was affectionately and famously known as Aunt Marion even to friends of the family who were not blood relatives.

According to our tradition, it was decided in Heaven last Rosh Hashanah, that this beloved and treasured family matriarch would be granted almost an entire additional year of life. What an indescribable blessing for her family and all who were fortunate to know her. T'hi Zichroh Boruch! May her family be comforted amongst the mourners of Tzion and Yerushalayim!

- Warmly, Rabbi Avie & Shelly Shapiro
