For many years we lived in the same neighborhood, and I remember how much Marjorie loved gardening and planting beautiful flowers around her house. I can visualize her out there in good weather tending her garden.

A wise & wonderful woman, who must have done something very righteous in her life to merit (Z'chus) of having her son Stuart return to Torah true observance. Marjorie also has beautiful grandchildren whose mothers are Ehrliche Jews who are also Torah True Jews. May her memory be for a BRACHA
