“ I just now learned of Dr. Ellis passing away over a year ago. To his loved ones, especially his daughters whom he frequently spoke, I apologize for being so late but I give you my sincerest condolences. I am a disabled veteran and was a patient of Dr. Ellis. He was always a kind, cheerful man as well as being one of the best doctors I've known (I was a maxillofacial laboratory technician for twenty two years in the Navy). It was an honor to have been able to be his patient. Thanks Doc, rest in peace.

“ *To The Family of Mark Ellis,
I had the honor of being his assistant the last year at Hines V.A..
What a true pleasure and honor it was to be in his presence
everyday. May I say he had such a magnificent way about him.
Always had a smile for everyone, a nice word to say. An aura that
would gleam amber on every day. I would call him Houdini when he
would be know where to be found on the floor. Then to appear as if
he were always there, with a smile and hug to greet me, always
playful and fun. Happy go lucky was his game. Always speaking of
his beautiful family, his girls and how much he loved them. Always
proud of his creation of love. Mark loved his patients and was
always making the extra effort to do more and give more. There are
no words that could ever express the sorrow and loss of this
beautiful soul. I truly will miss him, he was a friend, one whom
always had your side. I truly feel blessed that our paths crossed.
Sending all of you light and love always,
Gigi Vatashki,*

“ *Dory, Julia and Lily, Your Dad meant so much to so many people. It
was common to walk the halls of Hines VA hospital with him and
have veterans stop him to say hello or thank him for the care he
gave them. He didn't miss the opportunity to say hello to co-workers
with a smile and most likely a good joke. Mark made a difference to
veterans, employees and to my life. I hope it brings some comfort
knowing how much he was admired and loved. My love, thoughts
and prayers with you. Germaine*

“ My name is Todd Mayer and I am a Social Worker and Union Steward at Hines hospital. Dr. Ellis was a very nice and kind man. He was very committed to assisting both employees and Veterans. I admired his passion regarding the care he provided. He also shared his sense of humor when things could be very stressful/ I am very sorry for your loss.
