*Minscha liked to tell about her trip to the Woodstock Music Festival in 1969 or whenever it was. If you look hard and imagine you can see her with her elbows on the edge of side of the stage and a big smile on her face, gazing up at Janis Joplin.*

*Marti was a character. We used to work together at JC. Penney and Hudson's at Northland. She was the one person who introduced me to the B'yeet of LZA many many years ago. I became a member of the organization in the early 1980's. Marti came from a wonderful, committed Jewish family. It seems that she had a wonderful life in the last 40+ years. May her memory be a Blessing.*
