“ I volunteer at Coville where Marvin was one of my favorite residents. He was always so much fun to be with. I will miss his adorable sense of humor and patience when we all went downstairs to enjoy concerts. Deep condolences to his family.

“ Marvin was always friendly and had a good sense of humor and liked to share the love. Sorry I couldn't make the funeral but was glad I could view it on the site. He will be missed!

“ I had the pleasure of knowing Marvin while working at Coville. He was one of a kind. He always had a smile on his face and always had a witty comment to make. I always knew he was walking outside my office because of the way he shuffled his feet. He would visit me often. He was my buddy. He loved when the dogs would visit and he loved showing me pictures in his room of his family. Coville is not going to be the same without him.
