“ *I have known and played cards with Marvin for well over 40 yrs. He was always warm, had a good sense of humor and would do anything for someone. He often came early for cards (which was a running joke for our group), I had a friendly dog, and he would be overjoyed when Marv came early as he would play and pet him until the game started.
Small memory, but he is missed.*

“ *I had the pleasure of being in Marv's presence on a couple of occasions, and each time he was warm, welcoming and funny. I know from stories told, he was a great man, and a great father.*

My heart aches and my deepest condolences go out to my dear friend Mike, and to the rest of the Litt family, during this time of great loss and sadness. My love and prayers are with you all. ~Rhonda
