“ Dear Judy and Dan, David and I are so sorry to hear of Marv's passing. Marv and I shared a special bond from being in CST leadership together, and I was very fond of him. I loved that he always had a definite point of view and wasn't shy about sharing it! He was very generous in sharing his business expertise with our board, which benefitted the entire temple community. And what a great sense of humor he had! Our deepest condolences to you and your family. With love, Erica and David.
